

**Now available: Two package options to suit your needs. Simply select the one that's best for you:**

**BASIC wireless service** (from \$59 per user) is intended to offer an affordable wireless service for individuals who don't need the reassurance of premium support care, and are perhaps a little more familiar with Wi-Fi.

**BUSINESS wireless service** (starting at \$99 per user) offers the performance and peace of mind that you need when operating mission-critical services at Lansdowne Park. The Business option features priority data access on the network and premium technical support in a service that operates at video-conferencing speeds.

Terms of service: "Basic" and "Business" classes of service are wireless (Wi-Fi) based.

Pricing is valid for events up to 10 days in duration. Use of a router or wireless access point is prohibited, as it may degrade your service, and interfere with DHCP for other users. There is no service warranty governing any attempts to use these services beyond their stated limitations or for anything other than their intended purpose. This service is reserved for the contracted individual or company only; only the contracted individual is eligible for technical support. You may not resell this service or any part thereof. Failure to adhere to these terms may result in disconnection of service without notice. For full terms, please see <http://www.boldstreet.com/lansdowne>.
